ENGINEERED FOR LIFE

# Aerospace Controls

## Order Status User Guide

Version 6

This user guide will enable you to easily view the current status of your ITT orders. It includes a quick review of;

- REQUESTING ACCESS TO THE ORDER STATUS APPLICATION
- HOW TO ACCESS THE ORDER STATUS APPLICATION
- WHERE THE TRACKING INFORMATION IS LOCATED
- HOW TO SEND US AN EMAIL REGARDING YOUR ITT ORDER
- LOGGING OUT AND TIMING OUT

## Requesting Order Status Access

Visting the ITT Aerospace Controls web site

Navigate your browser to:  
<http://www.ittaerospace.com> and locate the section titled “Order Status” (right)

Log In or Register for Access

1. If you have registered and have your account codes, click the link titled “Click on this link to login.” (right)
2. If you need to Register for an account, click on the link titled “Click on this link to create one.” (below) and complete the web form.

## Logging Into the Order Status Application

Enter your assigned “Username” and “Password” into the fields provided (right) and then click on the “Log In” button.  
NOTE: The password field is case sensitive.

If you require assistance, please send an email to [aerospace.webmaster@itt.com](mailto:aerospace.webmaster@itt.com) for password retrieval

## Accessing the Order Status Application

- Your orders will be listed by order number descending sequence, PO number, and then Ship Date descending sequence, in two columns starting on the left and moving down the page and then over to the right side and down, if applicable (below).

Pages: [1] [2]

## Accessing the Order Status Application - continue

2. There is a maximum of hundred and twenty-five (125) viewable orders on each page and the maximum number of orders displayed will be calculated by the page code. However, to advance to the next page of orders by clicking on the page number (above), if applicable.
3. Or you can search for an order by entering either your PO number, our ITT order number, your number part, or ITT invoice number into the Search: textbox (below). Optionally, you can use the wildcard symbol “%” to display ranges, example;

http://b2b.ittcontroltech.com/aero\_orders

Logout >

**ABC Aerospace Company**  
Total Orders: 00 Total Records: 88

Search : 2031% Submit

Click Here

Search by complete or partial ITT order number, your PO number, ITT part number, your part number, or invoice number using the % as a wildcard search (Example XXXX%). Or, you may use % by itself to display up to 100 records (max).

**All Orders Listing**  
Click on the Order Number link to display the order details.

Displaying records [1] through [40] of [78] order records listed in [2] pages.

Order Number	Customer PO Number	Ship Date	Order Number	Customer PO Number	Ship Date
--------------	--------------------	-----------	--------------	--------------------	-----------

## Locating the Order Status Tracking Information

1. Once you have clicked on an order number or submitted a search parameter, you will land on the details page (below). If the order you are viewing has been **shipped**, you will see the tracking information as a link to the carrier's web site (below) and the invoicing information for the shipment.

Logout >

Click Here

2. If you “time out” while under the OS application, you will be redirected to the ITT Aerospace Controls web site upon clicking on any link or button. The reason for this action is because once your **logged in** session times out, the application automatically sends you back to the ITT Aerospace Controls web site for validation.

**NOTE:** Time outs occur after 20 minutes of inactivity.
